DETAILED ACTION

Allowable Subject Matter

Claims 1-4, 8, 9 and 12-18 are allowed.

The following is an examiner's statement of reasons for allowance: The examiner agrees with applicant's arguments and further clarifies that applicant's arguments consider the "tooth face" to encompass an area between the tip and the base, that does not encompass the entire area between the tip and the base. The tooth face is therefore considered the area in which the range of contact between the gears occur, rather than the entire area between the tip and the base. Applying applicant's interpretation, Ham does not possess a concave and convex region on the tooth face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JUSTIN KRAUSE whose telephone number is (571)272-3012. The examiner can normally be reached on Monday - Friday, 8:30-5:00.
